

*48 Country Club Road
Royersford, Pa. 19468*

Dear Prospective Member:

We are pleased that you have shown interest in being a member of Spring Ford Country Club. Please review the enclosed material, which explains in detail the various categories of membership, a description of each, and the costs involved.

Spring Ford Country Club is a member-owned club run by and for the members. We have a Board of Governors consisting of seven elected members and currently headed by President John Souder. Our golf course is rated one of the finest in the tri-state area and is currently the home to the Philadelphia PGA Championship. Our USGA slope rating from the white tees is an impressive 134 with a course rating of 71.4.

After reviewing the enclosed information and deciding on which category of membership you wish to pursue, please call the club so that we can find a mutually convenient time to meet.

We are very proud of our new facilities, and feel you will agree when you preview our clubhouse.

Our membership and staff are looking forward to having you as part of the Spring Ford Country Club family.

Should you have any additional questions, please do not hesitate to contact me at (610) 948-0580.

*Sincerely,
SPRING FORD COUNTRY CLUB*

*Craig Komatz
General Manager*

General Information

1. *Our Membership year runs from April 1 thru March 31 and anyone wishing to discontinue their membership must notify the Board of Governors prior to March 31 of that year. You are automatically renewed for the following year on April 1.*
2. *The First 300 Primary Senior Golf Members are owners of the club. Ownership is \$500.00. This is payable \$100.00 each year for five years. The first participating Certificate will be billed on your first invoice and the balance will be billed annually. Bank Participation Certificates will be purchased in your name for each \$100.00 paid. These are non-interest bearing bonds which are fully refundable upon your termination of membership with all financial responsibilities paid.*
3. *All membership categories (except Junior, Non Resident and Dining) carry with them a quarterly food minimum of \$300. To be used in the Dining Room, Grill room or Snack Bar. This does not include beverages, gratuity or tax. If your last name begins with A-G, you will be on a quarterly minimum from April 1 through June 30. If your last name begins with H-M, your quarterly minimum goes from May 1 through July 31. Finally if your last name begins with N-Z, your quarterly minimum runs June 1 through September 30. Each group will start the next quarter the day after their last quarter ends. Your unused minimum will be billed on the last day of your quarter. However, all purchases are billed in a calendar month the purchase was made. All dining Memberships have a \$150 calendar month minimum.*
4. *Dress Code is enforced. No jeans (denims), cut off, tank tops, swim wear, or sweatshirts may be worn on the golf course, practice areas, or in the club house. Shirts must have collars and shorts must have an inseam of at least three inches. Swim wear is permitted on the outside deck prior to 5PM but you must be wearing footwear and a cover-up.*
5. *Gratuities and NOT included in your food or beverage checks. Also, you should tip the Pro Shop Staff for cleaning your clubs and the shoe shine personnel separately.*
6. *We publish our annual golf schedule and directory in late March. We call this the "White Book" and it lists all the tournaments and all the major social activities for the coming year. In the back of the book we list the names and phone numbers of all members and their respective category of membership. This book also contains rules and regulations governing conduct both on and off the golf course and should be read by all members.*
